

VMX Food Grade PEEK

Poly-ether-ether-ketone

Compliance: EU 10/2011; FDA 21 CFR § 177.2415 (compositional)
Key Properties: Extreme dimensional stability, high strength, temperature resistance, superior wear/corrosion resistance
Detectability: Visual, metal, and X-ray traceable
Applications: Food processing/packaging components (pistons, manifolds, valves, mixing vessels)
Quality: ISO Compliant

PRODUCT DATASHEET

ASTM*				

Note: 1 g/cm³ = 1,000 kg/m³ ; 1 MPa = 1 N/mm² ; 1 kV/mm = 1 MV/mm NYP: there is no yield point
